

## **Police Beat Meeting/ Board Meeting-January 16, 2018**

We do have a quorum

Police Report (last 30 days) Lt Geier, Officer Martin, Nick Kelly, and Magda

Lt.'s report: again, very little to report

### Questions, Concerns

- Officer Martin – caught 2 of the dirt bikes that have been running up and down Page Blvd
- Magda- Citizens Police Academy begins March 14<sup>th</sup> at 50 East Street
- How to deal with offenders of parking bans? Calls to non-emergency number have resulted in calls transferred to other departments. Perhaps need to change wording with calls. Ask for a cruiser to come to the street. Consider calling 3-1-1 and ask for DPW. DPW does hire a police detail during storms to ticket and tow, they are sent to different neighborhoods

### New Business

- Big Y will be expanding their warehouse on Roosevelt Avenue; reps will be at the Feb. 6 meeting
- 218 Page Blvd – explanation of proposed use as a used tire business – would like to take a vote. Papers were handed out and neighbors were told to vote yes, no or abstain. Overwhelming vote to not support. City Council hearing Jan 22
- The Shamrock Convenience Store is looking for a liquor license. Technically in Hungry Hill Application not submitted as of this date
- Still working on issues of Walgreen building
- CRRC hopes to have a grand opening in June
- Free hockey tickets for AIC game at the Mass Mutual Center on Jan. 27
- Awaiting results of 3 grants
- End of Russell street – building houses on the Chicopee side

Attendance: 38
