

East Springfield Neighborhood Council Board Meeting

Old Business

- Overview of activities – will be on the myesnc.com website once the dates are firmed up
- Jared Russell and others from corporate Big Y will attend and present at our March 20 meeting
- 50 East Street is operational, WIFI should be coming soon to the ESNC office (thank you CRRC)
- Business & Community Fair – continuing to move forward, sending out invitations to businesses this week; We are looking for volunteers – please see Luce Champagne if interested in helping; if there is a business you would like to have attend, please provide the name, address and contact person
- Work on adding an upstairs bathroom at the library is continuing, however, at times the library will be closed as work progresses
- State roadway improvements for St. James/Carew St. are scheduled for FY2020. We have requested an engineering update

Reminders

*Please remember to use 3-1-1 to report problems, be as accurate and detailed with your question or concern as possible. Get a ticket number and call 3-1-1 to follow up if necessary

*Follow us on FB and stay updated using FB and the myesnc.com website

New Business

- Prescription drug take back scheduled for April 28th at Central High School parking lot from 10-2
