Lt.'s report: very little activity in the neighborhood

Questions, Concerns

- Questions about complaints regarding overgrowth. Officer Martin does not close out a complaint until she personally sees that the issue has been taken care of
- Noise on 40 Redlands Street this past Sunday, after midnight – loud music, people in the street
- Pit bulls charging people walking in the park, feces everywhere; dogs not on leashes
- Parking in front of the schools by No Parking signs; what can be done. School Superintendent agrees it is time to find a solution and hopefully there will be a change soon
